

Bauturi festive

Va aduc in atentie si niste bauturi festive. Ma rog, unele dintre ele sunt chiar de zi cu zi (cafelele mai ales), dar nu-i bai, vin sarbatorile si totul se invaluieste in mister ☐

Si nu i-am uitat nici de data asta pe prichindei!!!

Ciocnesc cu voi, virtual, un „pahar” de sampanie inghetata si multe altele, la alegerea voastra:
